

Website Privacy Policy

<http://www.mercury-processing.com>

As a payment card processing company, recognized both by our clients, and by card organizations, Mercury Processing Services International is fully committed to alignment with all relevant laws on privacy and protection of personal information in each jurisdiction in which it operates.

Mercury Processing Services International has, thus, created its Website Privacy Policy (hereinafter: "the Policy") with the aim to demonstrate our unyielding commitment to your privacy. The Policy discloses the information gathering and distribution practices for Mercury Processing Services International site.

Contact forms

The only personal information we collect online is information you voluntarily provide to us. Our Website's contact form enables visitors to contact us in case of queries and for this purpose the contact form asks for name, surname and/or company name and email address.

The information you have provided to using this contact form is used exclusively to get in touch with you when necessary to respond to your query.

Surveys

We may, from time to time, ask visitors to fulfill online surveys which may ask for personal contact information (like e-mail address). Contact information from the surveys is used to get in touch with the visitor when necessary.

Web measurement and customization

Following cookies are used on Mercury Processing Services International website, however, this information does not reveal any of your personal information to us:

We use web measurement and customization technologies, such as cookies, to help our website function better for visitors and to understand better how the public is using our site.

Cookies are small text files that most websites store on devices which are used to access the

internet. That storage of cookies is fully controlled by internet user through settings in his browser, where he can limit the storage of cookies or disable them.

01.

Session cookies

Session cookies are temporary text files that expire when you leave our website. Session cookies are used to gather data for technical

purposes, such as enabling better navigation through our website and may be used for generating statistics about how it is used.

02.
